

CASTRA GLOBAL

SECURITY, INVESTIGATIONS, SURVEILLANCE & TRAINING

ATTENTION All Overseas Travelers

Would you like the confidence and ability to ensure your safety when travelling abroad, or to recognize threats in advance and have the knowledge and skills to avoid them? Would you like to know the simple techniques to plan your trip to eliminate putting yourself, family or staff in danger?

Castra Global is hosting the organisation "Predator Security & Defense" direct to Australia from the USA for a first of its kind public training event. Your Instructors are specialists in HEAT (**Hostile Environment Awareness Training**) and PSD (**Private Security Detail**) for High Threat Environments. Their team have years of Military training and have trained and equipped over 1000 personnel for high risk operations. "Predator Security & Defense" work closely with corporate industry providing counter terrorism training and operations. Your Training-Participants will partake in a wide range of training, case studies, demonstrations and hands on practical exercises.

1 day from **7:00**am to **7:00**pm (12hours)

\$395.00 p.p (includes lunch)

Monday 29th May or Wednesday 31st May.

This course is a must for today's traveler and is suitable for any age.
